The Bi-College News is a weekly newspaper of Bryn Mawr and Haverford Colleges and a testimony to the bi-college relationship. We endeavor to provide representative, accurate, and fair news and information. The honor codes of both schools inform our methods. Our Editorial Board comprises 27 students who meet twice a week. We also have approximately 70 staff writers, photographers, layout assistants, and copy editors.

ITEM

12 Issues at \$1521 each

Price includes printing, folding, and delivery to Bryn Mawr and Haverford of 12 24-page black-and-white issues of the newspaper. (We fund all color printing and additional pages with subscription and advertising revenue.) This number does not include the first issue of the fall, which was published on Tuesday, September 8, but it does include the first issue of Spring 2010. See the attached publication schedule for details.

Extreme Keys, a cappella group

Pitch (President): Nina Jankowicz njankowicz@brynmawr.edu (609) 651-3317 Campus Box C-1240

The Extreme Keys is the Bi-Co's oldest all-female a cappella group, originally founded in 1981 as the "Suburban Squares." Students from Bryn Mawr and Haverford Colleges can audition to be members. Practice is three times a week for a minimum of 2 hours. We currently have 14 girls.

We hold most of our performances on the Bryn Mawr College campus. We plan to do several short tours throughout the school year. We typically have around 7-8 performances per semester.

We host a cappella groups from other colleges at joint concerts. Our music has evolved from jazz and madrigal to our current preference for alternative and pop songs.

We pull from the 60's, 70's, 80's and 90's as well as indie music from the 21st century.

Some of the group's earliest arrangements were done by people outside the group, but current pieces are arranged by group members. The songs performed by the Keys are chosen at the beginning of every semester.

Budget for the Bryn Mawr Fencing Club Fall 2009

The purpose of Bryn Mawr's fencing club is to learn and practice the sport of fencing and to grow that sport on Bryn Mawr's campus (particularly since there is no longer a fencing class offered by the Athletics Department). We work with all skill levels and are building a core of competitive fencers while providing a supportive environment for new fencers.

The Harvest Christian Fellowship is an interdenominational group open to all and is meant to be a safe place for Christians and non-Christians alike. The members participate in the fellowship through tri-weekly meetings: mid-week meetings on Tuesdays, where special speakers are often invited to share, large group meetings on Friday nights and Sunday morning services at church. Leadership training is also provided to student leaders on Saturday mornings.

HCF encourages small group Bible studies, prayer and often hosts talks and informal workshops on topics pertinent to the Christian faith.

HCF is associated with Grace Covenant Church (www.gracecovenant.net) located at the campus of University of Pennsylvania.

Its location permits BMC students to network and regularly meet up with members of the larger Philadelphia university community.

There are about 18 regular members of HCF at Bryn Mawr College and these members regularly interact with members of other faith-based communities.

Types of Activities: The members of the Pulso dance troupe are students who wish to share their enthusiasm for the art and culture of Latin movement. The purpose of the organization is to provide the Bryn Mawr, Haverford, and Swarthmore communities with opportunities to learn and to practice Latin dance through instruction, guided practice, and social dancing activity. It is also our aim to introduce the styles of Mambo, Salsa, Reggaeton, Cha-cha-cha, Rumba, Merengue, Samba, Flamenco, Bachata, and Tango to those who may have never had the opportunity to encounter these dances, as their instruction is often costly.

Fall 2009- Budget for Ski/Snowboard Club

Returning Members: 200

This is our seventh semester in existence and our sixth semester requesting for a budget.

The purpose of the Bryn Mawr Ski/Snowboard Club is to share the love of a sport that students can participate in for a lifetime. This will encourage a healthy attitude, physical fitness, and decrease stress. This sport can be very expensive; we hope to slowly build an inventory of equipment for the members to use and subsidize the cost of trips. We plan to do this through seeking donations of used equipment from community members and with the help of the funding we receive from Bryn Mawr. We have had three very successful ski trips; the attendance at these trips continues to increase and the community's response has been very positive. We are now in contact with a variety of mountain travel agencies which have offered us many opportunities; we hope to soon participate in these opportunities through increased funding, fundraising, and socials. Our trips involve all Tri-Co students, post-bacs, BMC faculty, staff, and their children! Advanced, intermediate, and beginner individuals have all been responsive to subsidized ski trips that make these winter sports available to everyone, regardless of their economic background!
